Deputy Jailer/Jail Staff Annual In-Service Training

The 2016 Deputy Jailer In-Service Training program provides the trainee with (16) hours of face to face classroom materials covering areas of instruction pertinent to their job duties. There will also be an additional (8) hours of classroom material that can be requested. The (24) hour in-service program will also be available via computer based training (CBT). We are also offering additional electives on the Crimcast Website for your staff to utilize.

In accordance with Kentucky Jail Standards, a newly hired employee is required to receive (4) hours of mental health training during their initial year of employment, with (1) hour of mental health training every year thereafter. These two mental health programs of instruction are available by CBT. Both the classroom instruction and the CBT modules include material approved by the Cabinet for Health and Family Services as set forth in 501 KAR 3:160, Sec. 4 (b).

Departmental Instructor Programs

Departmental Taser Conducted Electrical Weapon (CEW) Instructor Course

This course provides the basic operational theory and practical training to instruct users to reasonably safely and effectively operate TASER CEW's. This course covers the TASER X26, X26P and X2 CEW's and will certify those who successfully complete the course as TASER Instructors for (2) years. This is a (20) hour course which will allow students to become departmental TASER Instructors. Once certified, they will be allowed to train departmental staff as end-users. Topics covered include:

- | | |
|--------------------------------|---------------------------------|
| TASER Technology | TASER Cam and TASER CAM HD |
| Neuro-Muscular Incapacitation | Tactical Considerations |
| Medical and Safety Information | Targeting |
| Voluntary Exposures | Risks Associated with CEW Use |
| Legal Issues | Probe Deployment and Drive Stun |
| TASER CEW's | Probe Removal |
| Power Sources | Policy Considerations |
| Cartridges | Post Incident Considerations |

PepperBall Instructor/Armorer Course

The PepperBall Instructor and Armorer Course will provide (16) hours of training. The PepperBall Instructor Certification Course involves intensive training in the use of the non-lethal PepperBall Systems, including operation, safety, maintenance, and deployment. This course certifies attendees as PepperBall Instructors for their individual institution, allowing the attendee to conduct a course in the safe and effective use of the PepperBall System. The PepperBall Armorer Certification Course will also develop the student's skills in the maintenance and repair of PepperBall launchers, allowing the student to safely and effectively keep the launching systems operational in the field. This course is **only** open to the Department of Corrections employees. The certification is good for two years.
