Cheri Mattingly Promoted to Offender Information Administrator

FRANKFORT, Ky. (April 1, 2019) - Kentucky Department of Corrections Director Amanda Sayle announced today the promotion of Cheri Mattingly to offender information administrator for Offender Information Services. In her new position she will oversee the Home Placement Office. The Home Placement Office is responsible for ensuring that all offender releases are handled in a timely manner. They secure suitable placements for justice-involved individuals, which helps them to successfully transition back into their communities.

"Cheri Mattingly brings with her over 20 years of experience within Offender Information Services," said Sayle. "With her knowledge and expertise, we have no doubt that she will be successful in her new role in the Placement Office."

Mattingly began her career with the Kentucky Department of Corrections in March 1992 in Offender Information at the Kentucky Correctional Institution for Women. In 2000, she was promoted to offender information supervisor. In 2008, she transferred to the Luther Lockett Correctional Complex and served there as offender information supervisor until her retirement in August 2016.

After nearly two years of retirement, Mattingly returned to corrections to work in Offender Information at the Kentucky State Reformatory in June 2018. The following December she was asked to come to Central Office to serve as the interim home placement manager.
