Megan Schubert Promoted to District 7 Assistant Supervisor

FRANKFORT, Ky. (Oct. 25, 2019) – Kentucky Department of Corrections Director of Probation and Parole Erica Hargis announced today the promotion of Megan Schubert to assistant supervisor in District 7. District 7 covers Boone, Campbell and Kenton counties. She will be located in the Newport office.

“Megan Schubert is a dedicated career employee who is always willing to take on any role that is needed in her district,” said Hargis. “She brings a positive attitude to everything she does and is a welcomed member not only to the District 7 management team but the division leadership as a whole.”

Megan Schubert began her career with the Department of Corrections as a probation and parole officer in March 2007. She has managed many different caseloads since that time, including a regular felony caseload as well as inmates and parolees in halfway houses. Most recently, Schubert has been responsible for drafting presentence investigation reports for the Campbell County Circuit Court.

Schubert was a member of the Northern Kentucky Reentry Team that secured funding from the Health Foundation of Greater Cincinnati and through an AmeriCorps Grant to establish some of the first reentry services in Northern Kentucky. She has also served as a task force member in Operation Falcon, a collaboration with the United States Marshals Service in the eastern district of Kentucky.

Schubert serves as a DNA collection trainer and is certified in Criminal Justice Information Services (CJIS) inquiry through the Kentucky State Police.

In 2005, Schubert graduated from Thomas More College with a bachelor’s degree in criminal justice and sociology. She earned a master’s degree from Xavier University in 2007, where she was also named the Paul Haun Award recipient for graduate academic achievement. She is a graduate of the Department of Corrections 2009 Commissioner’s Executive Leadership Program.

A resident of Campbell County, Schubert works as an adjunct professor teaching criminal justice courses at two local universities.
