Kylor Wilson Promoted to Program Administrator in Population Management Division

FRANKFORT, Ky. (Nov. 8, 2019) - Kentucky Department of Corrections Division of Population Management Kieryn Fannin announced that Kylor Wilson has been promoted to the position of program administrator.

"Kylor Wilson's dedication to excellence and the department makes him a great addition to the population management team," said Fannin. "His positive, team-oriented attitude is a great asset not only to the division but to the entire department."

Wilson graduated from the University of Kentucky with a bachelor's degree in education/kinesiology in 2014 and began his career with the department as a recreation leader at Northpoint Training Center (NTC) in 2015. In 2016 he was promoted to classification and treatment officer (CTO) over a general population dormitory. Wilson quickly moved to oversee the substance abuse program and pre-honor/veteran dormitory while also facilitating the Veteran's Club.

He was then moved to the transfer coordinator's position while serving as CTO for the outside detail offenders and facilitating the Soft Skills Boot Camp. During his time with the department, he has been a member of the Crisis Negotiation Team, as well as the backup staff wellness coordinator.

Wilson is a graduate of the Certificate of Supervisory Essentials Program, NTC's Future Leaders Program and is an active member of the Kentucky Council on Crime and Delinquency (KCCD).
