Julia Mazza Promoted to Program Administrator at Green River Correctional Complex

FRANKFORT, Ky. (March 30, 2020) – Kentucky Department of Corrections Division of Addiction Services Director Sarah Johnson announced today that Julia Mazza has been promoted to the program administrator overseeing the substance abuse program at Green River Correctional Complex (GRCC).

“We are excited to have Julia Mazza join our team and lead the substance abuse program at GRCC,” said Johnson. “She brings significant knowledge and experience within the criminal justice system. Her education and work experience will serve her well in her new position as program administrator.”

Mazza has worked as a correctional nurse at Roederer Correctional Complex, Luther Luckett Correctional Complex, and Kentucky State Reformatory. Her experience also includes time as a psychiatric nurse at Our Lady of Peace and with the Cabinet for Families and Children at Kentucky Correctional Psychiatric Center. In 2013, she promoted to assistant director of nursing and staff educator with Signature Healthcare. In 2015, Mazza relocated to western Kentucky. Since October 2018, she has worked as an office support assistant II at GRCC.

Mazza began her career in healthcare as a certified nursing assistant in 2000. She received her associate degree in nursing in March 2010 and Bachelor of Science in healthcare administration in November 2012. Mazza is licensed as a registered nurse in Kentucky.
