Dear Commissioner Kinney,

The Kentucky State Police investigates allegations of criminal sexual abuse when requested by Kentucky Department of Corrections facilities. All KSP Troopers receive training in sexual abuse investigations during basic training at the State Police Academy including techniques for interviewing sexual abuse victims, proper use of Miranda warnings, sexual abuse evidence collection at crime scenes including in confined settings, and the criteria and evidence required to substantiate a case for prosecution referral.

If you have any questions please feel free to contact me at your convenience at 502-782-1814.

Sincerely,

Captain Shane Wall
