I. DEFINITIONS

“SMART Recovery” means self-management and recovery training. The SMART approach is secular and science-based program which uses cognitive behavioral therapy.

“Substance” as defined in CPP 13.8.

“Supporting Others in Active Recovery (SOAR)” means an evidence based program focused on relapse prevention, education, re-entry skills and based on the Therapeutic Community Model.

“Treatment Plan” means an agreement between client and staff to address services which shall meet the needs of each individual client.

II. POLICY and PROCEDURES

A. Program Description: Supporting Others in Active Recovery (SOAR)

1. The SOAR program provides an opportunity for clients to stay in a recovery based environment while giving back to the community. Clients receiving services for substance use disorder while incarcerated and continuing the same treatment upon entry into SOAR shall ensure a continuum of services until release. SOAR shall offer programming that focuses on relapse triggers, employment, parenting, anger management, and educational needs.

2. SOAR shall have an assigned Social Service Clinician (SSC) who shall ensure each client has a treatment plan.

B. Admissions: SOAR Program

The Division of Addiction Services shall review all applications, maintain and place applicants from the SOAR waiting list. An applicant shall meet the following minimum eligibility requirements to gain admission to the program:
1. The applicant shall have completed the recommended Substance Abuse Program (SAP) with no evidence of relapse since completion of the SAP program. Any evidence of relapse shall result in a referral to reenter the substance abuse program. SAP graduates shall be given priority for entry into the program.

2. An applicant currently enrolled in or has completed MRT, may apply for SOAR if not recommended for SAP. The application shall be reviewed by the Division of Addiction Services to ensure client is not appropriate for long term treatment.

3. Applicant must have 60 days clear conduct for a Category 4 or above and Category 3 Item 11.

4. If recommended to complete the Sex Offender Treatment Program (SOTP), an applicant shall complete all requirements of SOTP prior to applying for SOAR.

5. Applicants shall not have a break in custody since SAP or MRT completion.

6. Jail SOAR programs may admit clients who are currently serving an alternative sentence. Alternative Sentence clients shall be approved by the Division of Addiction Services prior to entry.

7. Ultimate discretion for admission to the SOAR program shall remain with the Division of Addiction Services.

8. The applicant shall be notified by memorandum of acceptance or denial of the SOAR application.

C. Participation Requirements: SOAR Program

1. Clients shall be assigned a treatment plan to ensure all recommendations are followed.

2. Clients shall follow all treatment plan recommendations assigned by SOAR treatment team.

3. Clients shall be willing to follow accountability requirements.

4. Clients shall display respect for staff, program participants and the therapeutic community.

5. Disciplinary convictions may result in discharge from the program.
6. Clients shall attend all mandatory community meetings.

7. Clients shall be randomly drug screened. Any positive drug screen shall result in discharge from the program and a recommendation for reentry into the substance abuse program.

8. Clients shall be responsible for completion of ten (10) hours of community service a month. Volunteer hours shall be approved by SOAR staff.

9. Once a client completes the SOAR program, they may be required to maintain employment and if not employed, shall be required to attend a vocational or GED program.

10. Clients shall be required to attend Narcotics Anonymous, Alcoholics Anonymous or SMART Recovery meetings weekly.

11. Clients may be required to participate in at least one (1) additional evidence-based program if recommended by SOAR program staff.

12. Clients without a GED or high school diploma may be required to enroll in GED while enrolled in SOAR.

13. Clients shall maintain clean bed areas at all times.

14. Clients shall maintain appropriate dress code at all times.

15. Clients who violate program or facility rules may result in an accountability, disciplinary, or discharge from the SOAR program.

D. Discharge and Termination Criteria: SOAR Program

A participant of the SOAR program may be administratively discharged or terminated from the program based on the following:

1. Successful completion of all program requirements;

2. Failure to follow treatment team recommendations;

3. Violation of program cardinal rule that may or may not result in a conviction of a disciplinary report;

4. Failure to comply with program or institutional rules which results in the issuance of a disciplinary report Category 3-11 or Category 4 and above;
4. Repeated program rule violations;

5. Voluntary withdrawal from the program;

6. Violation of attendance policy;

7. Testing positive for drugs, alcohol, or refusing a drug test; or

8. Dismissal from assigned job or recommended program.

9. Change in custody level shall be required to be housed at facility.

E. Appeals of Termination: SOAR Program

1. The program participant may appeal termination from the SOAR program by submitting a written appeal to the designated branch manager or designee within seven (7) days from written receipt of the termination. The branch manager or designee shall forward a written response to the program participant within twenty-one (21) days of receipt of the appeal. The decision shall be final.

2. If a program participant is terminated from the SOAR program, he may reapply thirty (30) days after the final termination date. Reapplication shall not guarantee readmission to the program.

F. Staffing: SOAR Program

1. Administrative and program staff shall require approval by the Division of Addiction Services. The facility housing the program shall provide security staff.

2. The Division of Addiction Services staff shall oversee all SOAR programs.

3. The program administrator or program director shall oversee the SOAR program and provide clinical and administrative supervision for that program.
