| Program Name | MRT® - Moral Reconation Therapy <i>MRT® is the product of Correctional Counseling Inc. (CCI). MRT® and its related products are property of CCI. CCI is the sole source provider of MRT® products.</i> |
| Program Description | <p>This Evidence Based program combines group presentations and individual assignments, along with facilitator guidance when necessary. The program was designed in a criminal justice setting for offenders involved in the criminal justice system. MRT® targets an offender's belief system and attempts to raise their level of moral reasoning in their decision-making process. The MRT® program has been researched for over thirty years and has proven reduction in recidivism levels at multiple points of progress within the program, as well as after overall program completion. MRT® is designed to achieve formal program completion after 12 in-group steps. The workbook for this program is entitled 'How to Escape Your Prison'® and includes the use of a separate facilitator guide.</p> <p>*MRT certification is required to facilitate this program.</p> |
| Time Frame | Length of time in program is dependent on individual offender progress, although offenders can generally expect to participate in 24-36 open-ended group sessions. Offenders will also be required to work individually on homework assignments as part of the program requirements. |
