INTRODUCTION

Supporting a successful transition to the community and maintaining stability within the offender population is central to the mission of the Kentucky Department of Corrections. The Department protects public safety by ensuring that offenders receive programming to support their successful return to the community. Programs are standardized across the Department, implemented with dedicated resources, and regularly reviewed for quality assurance.

This practical guide was prepared to highlight the Department's programs. Each program summary in this directory contains key information: a Program Description, Time Frame, Admission Criteria, Program Content, Applicable Policies, and Locations.

The Department maintains a catalog of evidence-based, life skills, promising practice, and substance abuse programs to address a wide range of reentry, supervision, and incarceration needs. Program offerings vary based on available resources and the needs of the offender population. The Department of Corrections maintains a list of the programs that are currently available.

General Information

Definitions:

Evidence Based Programs are programs demonstrated by scientific research to reliably produce reductions in recidivism.

Promising Practice represents a program that may have some research or data showing positive outcomes but does not meet criteria as an Evidence Based program. Promising practices have a clear focus and includes processes of accountability and evaluation.

Life Skills Programs provide strategies to assist in removing barriers for successful reintegration and address skill areas including time management, money management, use of technology, communication, and social skills.

Substance Abuse Programs is an evidence based drug treatment program for individuals with a substance use disorder.

Religious Program means a program that does not have a secular purpose or a program, which has a curriculum that advances or inhibits specific religion(s) and does not qualify for program credit.

Course Content	The TABE assessments and GED® exams all align to the College and Career Readiness standards. Through pre-assessments and progress monitoring, course content is structured on an individual basis through the development of Individualized Learning Plans (ILP). This will range from foundational skills in each subject area to higher level thinking skills.
Applicable Policies	CPP 20.1 KRS 197.045
Institution Locations	Local detention centers that partner with KY Adult Education Centers offer GED® classes
Additional Information	Upon successful completion of a GED®, • The offender will receive their diploma or transcript from Kentucky Adult Education (KYAE). • Upon successful completion of all GED® exam requirements, the Class D Coordinator submits the official transcript to Central Office at DOCEdu.Registrar@ky.gov for a **90** day EGT award.
