TRAINING METHODOLOGY

Correctional Officers

Currently, a new corrections officer will complete the Corrections Officer Basic Course (COBC) by attending his or her New Employee Orientation (NEO) training at the institution in which he/she was hired. The Institutional Training Coordinator (ITC) oversees the NEO instruction and the Phase I portion of the COBC. The Phase I portion of COBC is equivalent to 40 hours of classroom training delivered by Computer Based Training (CBT) within the institution's computer lab. After completing the NEO and Phase I of COBC at the hiring institution, the trainee will complete Phase II of the COBC at one of the three training centers. Upon completion of NEO, Phase I and Phase II of COBC, the new correctional officer return to his/her hiring institution for the remainder of their eight month probation period. Upon return to their institution the newly trained correctional officer will receive an additional 40 hours of Common Core — Officer In-Service training annually.

Probation and Parole Officers

Currently, a new probation and parole officer completes the Probation and Parole Officer Basic Course (P & PBC) by attending his/her New Employee Orientation at the Probation and Parole Office in which he/she were hired. The Assistant District Supervisor oversees the NEO and Phase I of the P&PBC. The Phase I portion of the P & PBC is equivalent to 40 hours of classroom instruction delivered by (CBT) on the new probation and parole officer's assigned laptop computer. After completing the NEO and Phase I of the P&PBC, the new officer completes Phase II of the P&PBC at the Central Region Training Center. Phase II of the P&PBC consists of one hundred twenty (120) hours of classroom training. Upon completion of the NEO, Phase I and Phase II of the P&PBC, the new officer returns to his/her assigned probation and parole office for the remainder of their six month probation period. Upon return to the district, the newly trained probation and parole officer will receive an additional 40 hours of Probation and Parole In-Service training annually.

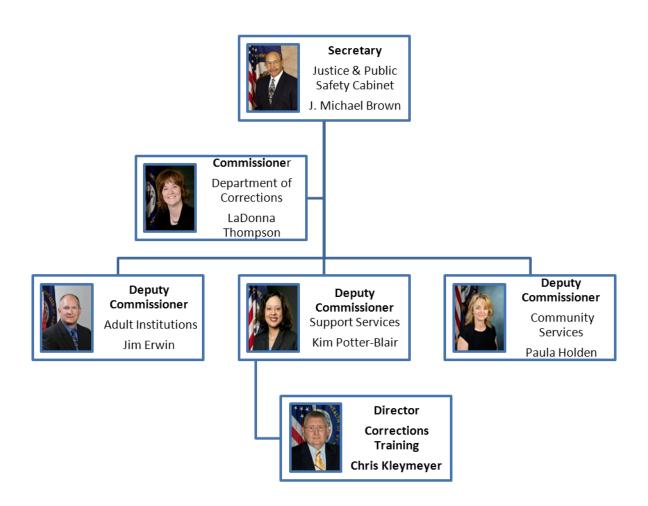

Elected County Jailers and their Deputies

Currently, Kentucky Revised Statutes (KRS) 196.070, Duties of the Commissioner of the Department of Corrections Training Programs, KRS 441.055. Regulation of Jails Adoptions and Revision of Standards and KRS 441.115, Jail Staff Training Program and Jailer's Training Expense Allowance, require the Department of Corrections to provide a minimum of 40 hours of training annually for the elected jailers and 16 hours of training annually for their staff at no cost to the jailers. The DCT develops a curriculum, annually, in cooperation with a curriculum committee appointed by the Kentucky Jailer's Association. The DCT provides the deputy jailer curriculum to county jails for delivery by members of the jailer's staff, who have been trained by the DCT, to act as adjunct instructors. DCT staff from the three regional training centers also conducts numerous iterations of the Annual Deputy Jailer Training throughout the Commonwealth at locations requested by the Kentucky jailers. The deputy jailer (CBT) curriculum is available for any jail staff that needs the training in addition too, or in lieu of, the classroom training. The elected/appointed jailers meet the majority of their 40 hour annual training requirements by attending one or both of the annual Kentucky Jailer's Association Conferences. Additionally, the DCT conducts a forty (40) hour training session for each newly elected jailer each election cycle prior to them assuming their new position.

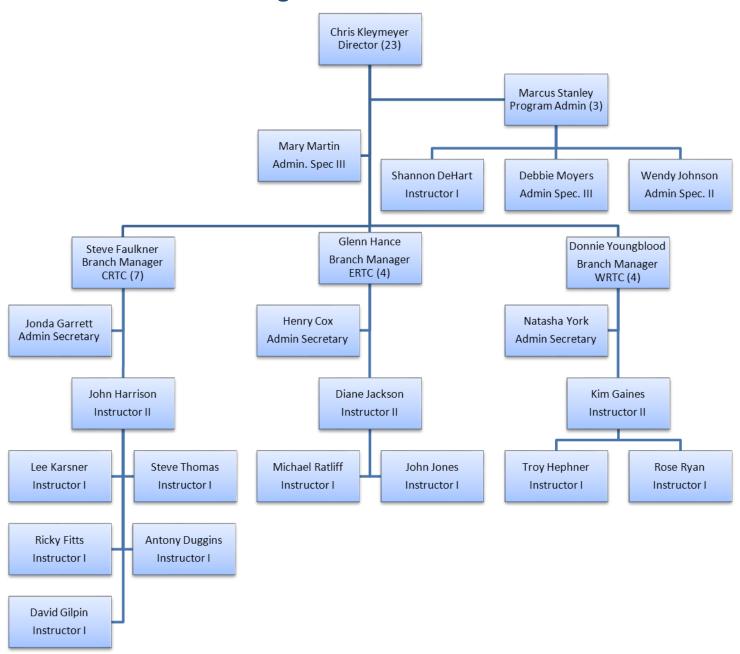

Central Office Staff

The Department of Corrections is currently in the process of gaining Accreditation for Central Office Staff. Previously this group of employees was exempt from the training process. The departments training policy CPP 4.2 is being reviewed and revised to include Central Office Staff in the training process. For 2013 we currently have a 16 hour (16) CBT bundle created for Central Office Support Staff.
