

Steps Taken at Kentucky State Reformatory (KSR)

KSR is a multi-custody male prison located in LaGrange, Kentucky (Oldham County) with 247 employees, 115 contract staff, and a total inmate population of 936. KSR's primary mission is to be a specialized institution to provide extensive mental health and medical services to inmates within the system.

- We have a screening process for staff to check for COVID-19 symptoms every day upon entry. Anyone entering a DOC facility is required to sanitize hands, receive a temperature scan, and answer questions regarding recent travel activity and current health symptoms.
- We have significantly increased sanitation at the prison using germicide and a bleach solution multiple times a day. In addition, hand sanitizer dispensers have been installed in all dormitories and bottles of germicide and extra soap have been distributed to each inmate.
- Foot sanitation systems have been placed at the front entrance and in the front of each dormitory so inmates and staff can kill any germs on their shoes.
- Masks are mandatory for all staff and inmates. In addition to the masks, the staff wear gloves, protective gowns and face shields in the housing units where positive inmates are housed.
- All medical clinics are accessible 24/7 with on-shift nursing staff. Inmates with concerns related to COVID-19, questions or symptoms of COVID-19, are authorized to speak with medical staff and be assessed. Medical supervisors perform rounds weekly in all living areas to assess for inmate wellbeing. Medically vulnerable inmates are closely monitored by medical staff and checked regularly throughout the day.
- If any inmate becomes symptomatic for any illness, not just COVID-19, and the prison medical staff cannot handle their care adequately, they are transferred to the hospital.
- Loved ones of those incarcerated can contact KSR at 502-222-9441 ext. 4131 between 8 a.m. and 4 p.m. for information. Staff are contacting the positive inmates' primary contact to inform them of the test results.
- All media questions should be directed to DOC's communications office: Lisa.Lamb@ky.gov; or Katherine.Williams@ky.gov.
