GOODWILL WORKS

Goodwill is dedicated to helping motivated job seekers who need help getting a foot in the door with employers or who may need a second chance to participate in the workforce.

Preparation and opportunity are the keys to success, and we offer a Work Ready Certificate to graduates of Goodwill's Soft Skills Academy. Currently, participants study and practice six concepts that significantly impact the ability to find and maintain employment: attitude, conflict resolution, dependability, safety, self-presentation, and team building.

Further, through partnerships with employers across the state – and by matching job seekers with long-term career coaches – Goodwill is connecting Kentuckians with meaningful opportunities to find a career path and climb the ladder out of poverty.
For more information, call **1-844-GWK-WORK (1-844-495-9675)** or contact the Goodwill
