Moral Reconciliation Therapy (MRT) - This Evidence Based program combines group presentations and individual assignments, along with facilitator guidance when necessary. The program was designed in a criminal justice setting for offenders involved in the criminal justice system. MRT targets an offender's belief system and attempts to raise their level of moral reasoning in their decision-making process. The MRT program has been researched for over thirty years and has

proven reduction in recidivism levels at multiple points of progress within the program, as well as after overall program completion. MRT is designed to achieve formal program completion after 12 in-group steps. The workbook for this program is entitled 'How to Escape Your Prison' and includes the use of a separate facilitator guide. Classes meet once or twice per week for 90 minute sessions per class. **This program received 90 days program credit upon completion.**

MRT Mentor - The MRT Mentoring program strives to ensure a higher success rate for those who have previously completed MRT. A Mentor within the MRT program will be held to a higher behavioral expectation than those participating in the MRT group. Mentorship is beneficial for both the offender serving as the mentor, as well as for the offenders participating in the MRT© program. As a mentor, this offender will be expected to revisit steps 1-4 from the offender's original 'How to Escape your Prison' workbook, along with completion of the 'Character Development' Workbook. Clients must have previously completed MRT for admission into the program. Classes meet once or twice per week for 90 minute sessions per class. **This program received 90 days program credit upon completion.**

MRT Thinking for Good - This Cognitive Behavioral program was developed to confront Anti-Social and Criminal Thinking errors. Completion entails 10 modules with a minimum of 10-12 group sessions utilizing the 'Thinking for Good' Workbook, and the completion of homework assignments prepared outside of group. Classes meet once or twice per week for 90 minute sessions per class. **This program received 60 days program credit upon completion.**

Parenting & Family Values (MRT Parenting) - This Cognitive-Behavioral program focuses on family values and individual priorities, and is appropriate for all parents, stepparents, and guardians. Completion of 12 modules and program attendance is required. Classes meet once or twice

per week for 90 minute sessions per class. **This program received 90 days program credit upon completion.**

MRT Anger Management - This Cognitive-Behavioral program is designed to assist offenders in recognizing and overcoming anger. This program includes completion of 8 modules with a minimum of 8-10 group sessions utilizing the 'Coping with Anger' workbook, various supplemental materials, and the completion of homework assignments prepared outside of group. Classes meet once or twice per week for 90 minute sessions per class. **This program received 90 days program credit upon completion.**

MRT Staying Quit - This Cognitive-Behavioral program is designed to assist with relapse prevention by helping offenders to recognize risky situations, cravings, and triggers. This program requires completion of eight (8) modules over a minimum of 8-10 group sessions. Groups are open-ended and require the completion of the 'Staying Quit' workbook, as well as preparation of homework assignments outside of the group. Classes meet once or twice per week for 90 minute sessions per class. **This program received 60 days program credit upon completion.**

MRT Untangling Relationships - This Cognitive-Behavioral program focuses on providing treatment to offenders involved in addictive/co-dependent relationships – confronting the issues of manipulation and dependence. Targets domestic violence, unhealthy relationships, enabling, substance abusers and criminality. Offenders will be required to participate in a minimum of 12 group sessions, along with preparation of homework assignments outside of group. This program utilizes the 'Untangling Relationships' workbook. Classes meet once or twice per week for 90 minute sessions per class. **This program received 90 days program credit upon completion.**

PORTAL New Directions - This Life Skills program is designed to provide

information and resources to address the most common reentry needs and barriers. Some barriers addressed in this program are housing, employment, transportation, money management, parenting, etc. Completion of this program is a minimum of 21 hours of group participation, and preparation and presentation of a Reentry/Maintenance plan in front of the group. PORTAL New Direction consists of 16-modules, facilitated no more than twice per week. **This program received 60 days program credit upon completion.**

Jubilee Jobs of Lexington specializes in finding entry-level jobs for the unemployed and underemployed. We are a non-profit job placement ministry located in Lexington, Kentucky, that opened in the fall of 2009.

Our process focuses on compassion, rapid and accurate assessment of an applicant's interests, abilities and placement in the most appropriate job possible. Our applicants complete a 7-step program that is based on accountability.

We provide skilled job preparation, placement, retention and career advancement to help disadvantaged jobseekers move beyond poverty toward self-sufficiency. Our job process is FREE to both applicants and employers.

Our motto is "Work for sustenance, dignity and hope." Jubilee Jobs is a place of hope in a time of growing despair for residents living in the Central Kentucky area.

Our purpose is to find employment for people who need, want and have the ability to work. Think of the difference you can make by hiring someone who really wants a second chance.

TRANSPORTATION SERVICES

WHEELS

150 East Vine Street,
Lexington, KY 40507
Phone: (859) 233-3433

Lextran's ADA Paratransit Service, operated in cooperation with the Bluegrass Chapter of the American Red Cross and ADA Ride, is a door-to-door public transportation system for disabled citizens of the Lexington-Fayette County area. The service is designed to meet the needs of those who are prevented from using a Lextran fixed-route by providing economical and accessible transportation.

ADA Paratransit Service is available through Fayette County.
Monday - Saturday - 5:00 a.m. to 12:00 a.m.
Sunday - 5:00 a.m. to 9:00 p.m.

Trips can be scheduled by calling (859) 233-3433. Reservations are accepted from 14 days in advance until 4:45 p.m. the day before service is to be scheduled. Please have available the pick-up address, destination address, and time of appointment when scheduling a trip. All pick-up times are scheduled in half-hour time frames. When both the origin and destination are within $\frac{3}{4}$ of a mile of an operating Lextran fixed route, there is a charge of \$1.60 per **one-way** trip. If outside of this, a premium rate of \$2.00 per **one-way** trip is charged.

Fares must be paid exact or by electronic fare. One personal care attendant (PCA) can ride free. Additional people can ride with any given passenger for an additional \$1.60 or \$2.00 per **one-way** trip if space is available. All attendants and companions must have the same origin and destinations. A trip must be cancelled by 4:30 p.m. the afternoon before a scheduled trip. Lextran will suspend the use of this ADA Paratransit Service to those who have an excessive number of late cancellations or no show violations.

Can I still ride Lextran? Yes! Any Wheels rider can utilize Lextran's fixed-route service for free with a special ID card that can be issued at the Transit Center. Call Mary Kate Gray at 859-255-7756 to make an ID **appointment**.

KENTUCKY DEPARTMENT OF CORRECTIONS
DIVISION OF MENTAL HEALTH
SEX OFFENDER TREATMENT PROGRAM (SOTP)
COMMUNITY COMPONENT
Fayette County

The Sex Offender Treatment Program is housed in the Lexington Office of Probation and Parole. Clients are referred into this program by 1) court order; 2) Parole Board Order; 3) request for evaluation is made by a Probation and Parole Officer. The Officer needs to complete a *Sex Offender Treatment Program Community Services Referral Form* (see next page) and submit it along with a copy of the PSI and any pertinent information.

The Sex Offender Treatment Program, community component, is a three-phased program designed to assist sexual offenders in acquiring skills to prevent relapse. The length of time necessary to complete treatment is solely determined by the efforts of the client in completing Therapy Tasks. Two to four years is a realistic range.

For further information contact Kevin Conley 502-564-6197.
